

Attendance Policy

July 2020

CEO: Sarah Watson
Headteacher: Carly Wilkins

Due for review: Summer Term 2021

Purpose:

- To ensure and encourage a high level of attendance for all students in order that they maximise their educational achievement.
- To ensure that the attendance of students is in line with Court Fields School's definition of regular attendance. This is 96%.
- To ensure no unauthorised absences.

Key Points:

- Effective monitoring of attendance is vital.
- Registers must be accurate and kept in accordance with this policy.
- The appendices to this policy outline the roles (Appendix 1) and expectations of everyone involved in ensuring good attendance. These include
 - Parents
 - Students
 - ~~Form Tutors~~
 - Phase Leaders
 - Pastoral Lead
 - Deputy Heads / Assistant Heads
 - Education Safeguarding Officer (County)

Attendance and Punctuality

Across the Trust good, excellent and outstanding attendance and punctuality are acknowledged and rewarded.

- Governors, Directors and staff within the Trust recognise the high correlation between achievement and attendance and strive to maintain high levels of attendance for all students.
- Parents have the responsibility to ensure attendance at school. Unless there is a major health concern attendance should rarely drop below 96%.
- We ask for the cooperation of all parents in helping the school to monitor attendance closely.

Any planned medical absence should be notified by telephone or letter. As far as possible, appointments should be made out of school hours.

Once the school has obtained confirmation the school will authorise the absence if the reasons given are considered appropriate e.g. illness, unavoidable medical appointment etc. If the reasons given are not appropriate the absence will be considered as unauthorised and the parent contacted. The school will follow up any absence which has not been notified.

Illness & Medical Absence

Absence, whether due to illness or other reasons impacts on a child's educational and pastoral outcomes. Absence due to illness should only occur if your child is unable to attend school. If your child's attendance

drops below 96% (defined as regular attendance by Wellesley Park School) and this is due to a significant amount of illness, you may be asked to provide medical evidence for the period of absence.

Examples of medical Evidence (this is the responsibility of the parent to provide to the school directly):

- Medical appointment card/printed slip
- Medical appointment letter
- Copy of prescription showing name and date
- Prescribed medication with pharmacist label showing name and date
- Hospital Discharge letter

Please note: We never ask for ‘doctor’s notes’ so please do not approach your GP asking for this.

Punctuality

Arriving late to school is very disruptive for the teacher and other class members. It also means that late pupils themselves miss important input from teachers.

If for whatever reason, you know your child will be arriving late, please inform school before hand.

Lateness of more than 30 minutes after registration will count as an absence from that session and will therefore require a note/telephone call from parents. *If there is no good reason this will count as an unauthorised absence.* Lateness to school will be subject to sanctions unless there is a genuine reason.

Term Time Leave/Holiday Requests

Holidays/leave of absence in term time will not usually be authorised because they will affect a student’s education. There is **no automatic right** to take children away from school for a holiday. A leave of absence will only be given for exceptional circumstances. The school may request a Penalty Notice for over 10 sessions of unauthorised absence where the student’s attendance falls below 95%.

Child Missing in education (CME)

Wellesley Park Primary School will add and delete pupils from roll in line with the law. The school will follow Somerset Child Missing in Education process and make CME referrals as appropriate.

Relevant Legislation/Guidance

The Education (pupil registration) (England) (amendment) regulations 2013, which came into force on 1 September 2013, removed references to family holidays and extended leave as well as the notional threshold of ten school days. The amendments made clear that Headteachers may not grant any leave of absence during term time unless ‘exceptional circumstances’ exist. The regulations also stated that Headteachers should determine the number of school days a child can be away from school if leave is granted for ‘exceptional circumstances’. This legislation expects that any term time leave must be requested in advance, in writing, direct to the Headteacher, and this should come from the person with whom the child normally resides, must

be authorised by the person with whom the child normally resides. The Headteacher will then determine whether the reason is exceptional.

Exceptional circumstances **may** include:

- Emergency service / forces personnel with proof of enforced holiday period;
- Forces personnel returning from or embarking on active service;
- Holiday industry employees with proof of this being the ONLY time period allowed by employer;
- A transcontinental leave request to see a terminally ill close relative.

In addition, in 2015 Somerset County Council further clarified the definitions for leave in term time as the following:-

- Rare
- Significant
- Unavoidable
- Short

By 'unavoidable' we mean an event that could not reasonably be scheduled at another time.

Any other requests for leave during term time, such as educational or sporting trips/visits will be looked at on an individual basis on receipt of a written request, with evidence. The following criteria would, in such circumstances, be taken into account:

- Number of days requested
- Is the request in reasonable time (received at least three weeks prior to first date of proposed absence)
- What will the pupil be missing during the period of absence? (e.g. exams, controlled assessments, key revision period etc.)
- Is it in the child's best interests?
- Current attendance of the pupil

If a child has been absent from school due to illness/other authorised circumstance, but the school has reason to believe that the absence would not in actual fact fit that criteria (e.g. the pupil is actually on a holiday etc.) the school will request additional supporting evidence and unauthorise the absence unless this evidence is received.

If a leave of absence in term time is requested the following procedure must be followed:

- Parents should complete a form from the school office and return it to the school office (see example in Appendix 2)
- If the request is due to work commitments preventing time off at other times then evidence from the workplace should be provided.

Penalty Notices

The school follows DfE guidance and will take legal action against parents/carers who do not send their children to school regularly. We do try to work with parents to ensure there are no barriers to school attendance. If strategies for supporting regular attendance do not work, the school will take legal action.

In the first instance, a Warning Penalty Notice will be issued. If this does not result in improved attendance, a fine will be issued (Appendix 3). The school works closely with the Education Attendance Service to ensure full attendance and adherence to procedures.

At Wellesley Park Primary School, regular attendance is classed as attendance of 96% or more. Attendance below this level could result in the issue of a Warning Penalty Notice, Penalty Notice or court action.

Procedures in Place to Ensure Good Attendance

First Day Calling: Parents/carers are contacted on the first day of absence. The Pastoral Lead/Inclusion Support Officer may also call key pupils. These are pupils whose attendance is being monitored by Phase Leaders.

Absences: Parents are requested to contact the school on the first day of absence. The attendance will be authorised via the Attendance Officer. If there is any doubt about a reason, the school will contact parents to query the reason. If the school is not satisfied with the reasons given, it will unauthorise the absence and in some cases will request further evidence. The absence flow chart will be followed in regard to this and future absence.

Medical reasons: If the school requires more information about a medical condition, or is not satisfied with a reason, consent may be sought from the parent/carer to contact the GP directly. If permission is not given, the school will expect the parent/carer to provide necessary medical information themselves. The absence flow chart will be followed in regard to this and future absence.

Reporting to Parents

Your child's attendance will be reported to parents termly at each parents' evening and annually in the pupil's end of year school report. Where a child's attendance drops for whatever reason, Wellesley Park Primary School will write to you as parents to highlight this.

Attendance Information Sheet

We would like to remind you about the importance of good attendance and punctuality.

Missing lessons makes it hard to catch up and pupils have to work harder when they come back. Pupils attend school for 187 days per year; there are 175 non-school days a year for holiday, cultural experiences and family time. Any child with attendance of 90% or below is classed as a persistent absentee (PA) by the Government.

Every school is required to take action to work with families to improve attendance. It may be useful for you to know what attendance figures mean for your child.

100%	Excellent Attendance
Above 98%	Good Attendance Pupils with attendance above 98% have had less than 4 days of absence in the year.
Below 96%	If your child's attendance drops below 96% you will receive a letter highlighting this.
94%	If your child's attendance drops to 94% you will receive a letter and be asked to attend a meeting.
92%	If your child's attendance drops to 92% the Pastoral Manager and/or Education Safeguarding Officer (EWS) will become involved.
90% and below.	Persistent Absentee (PA) as defined by the Department for Education (DfE). Pupils with 90% attendance have had 19 days of absence over the year Pupils with this attendance level are missing a month of school per year and may drop academically. Parents of pupils with this level of attendance may be issued with a Fixed Penalty Notice or have legal action taken against them.
85%	Exceptionally Low Attendance/Persistent Absentee Students with 85% attendance have had 29 days' absence over the year. These pupils are missing 6 weeks of a school year; it will be very difficult for them to keep up with work and they are likely to drop further academically – meaning that the attainment gap will have widened. It is highly likely that a Fixed Penalty Notice will have been served and should attendance not improve significantly after this, a referral will be made for legal action to be taken against parents for failure to ensure that their child attends school regularly.

Reporting an Absence

- All absences must be reported by 9.30 am each day (and on each subsequent day) by either calling the absence line or emailing the relevant school.
- If you know your child is going to be absent, please let us know in advance. If your child has been absent due to a medical appointment, please attach or email in a copy of the appointment card/hospital letter.
- Medical Evidence **may** be required if your child has a prolonged absence of more than three days. Medical Evidence **must** be produced if we have previously written to you stating that no further absence due to illness will be authorised without it.

Punctuality

Arriving late to school and into lesson is very disruptive for the teacher and other class members. It also means that late student themselves miss important input from teachers and/or tutors.

If for whatever reason, you know your child will be arriving late, please call the absence line or provide your child with a written note.

Attendance Flow Chart

***Persistent Unauthorised absence may lead to legal action by the local authority under the section 444 Education Act 1999**
