Dear Parents / Carers

World Mental Health Day – 10th October 2023

Every year we celebrate **World Mental Health Day on 10 October**. The theme for 2023, set by the World Foundation of Mental Health, is 'Mental health is a universal human right'. World Mental Health Day is about raising awareness of mental health and driving positive change for everyone's mental health. It's also a chance to talk about mental health, how we need to look after it, and how important it is to get help if you are struggling.

This year Wellesley park will be celebrating by raising money for this great cause - helping to get the right support, at the right time, for those in need - by **wearing as much yellow as possible** and **contributing a small amount to our 'Hello Yellow' fundraising page**.

We have set a small target of £100, which would be achievable if every pupil, approximately, donated just 30p! Obviously any more than that would be simply amazing, but all contributions - no matter how larger, or small - would be so welcomed and appreciated!

So, please start planning your child's wardrobe - with as much, or as little, yellow as you can manage. Ideas could include:

- **hair accessories**
- **face paint**
- **clothing**
- **shoes**
- **ribbons**
- **nail varnish**

The more yellow the better (just make sure that your child can be 'un-yellowed' for the next day in school please!! 😊)

The link to the official fundraising page is under my name (Emmaline Hartley-Criddle) - as I have set it up - however, all contributions go straight to the charity, not via school. You are welcome to make your donations as soon as you like, and the page will remain live until our final count on Friday 13th October.

Alternatively, if you are unable to make an online contribution - please send you child in with their money in a named envelope, clearly marked as WMH day - and we will transfer the money for you.

As always, thank you in advance for your time, enthusiasm and donations.
