

Year 6 Remote Learning Website Links

Please find a range of options for your children during short periods of isolation when they are well enough to learn but cannot attend school.

The links vary with some providing videos and guides about the topics we are learning and others being interactive games and lessons the children can take part in.

Oak Learning Academy – there are a variety of lessons available for you to watch on the Oak Learning website - <https://classroom.thenational.academy/subjects-by-year/year-6>

History – Titanic

We are studying the Titanic as part of our topic. There is a vast amount of resources and research available online. We have ordered the timeline of events and will begin to understand the class system on board.

Please use the websites below to support with your learning at home. Due to the delicate (and sometimes controversial) nature of this subject, we would strongly recommend that when carrying out any research it should be done through a child-friendly search engine such as Kiddle. Content on the Oak Academy and BBC

websites may also be suitable but if choosing your own resources please look at the recommended age and then, if possible, view with an adult.
