## Visitor Record

Welcome to our school. The easing of social and economic lockdown measures following the Covid-19 outbreak is being supported by NHS Test and Trace. We will assist this service by keeping a temporary record of our visitors' personal details for 21 days. We will need your name and a contact, preferably mobile phone number – to ensure everyone's safety before you enter the building. Your email and postal address will also be helpful to support NHS information gathering on potential Covid-19 Clusters. We are also asking that you record who you came into contact with during your visit.
